CONGRATULATIONS

Your new Professional Manual Juicer is a restaurant quality juicer with a stainless steel pouring pitcher.

- Squeezes oranges, lemons, limes and grapefruit quickly and easily.
- Generates up to 1,000 pounds of pressure to squeeze out every drop of juice.
- Stainless steel strainer / cone.
- Gleaming chrome finish.

OPERATING INSTRUCTIONS

1. Wash strainer / cone in soap and water before first use.
2. To squeeze, first slice citrus fruit in half and place one half on strainer / cone.
3. Place glass or pouring pitcher under strainer / cone.
4. Squeeze juice by turning handle down. (Large grapefruit should be quartered before squeezing.)
5. To clean, rinse strainer / cone under faucet or place in dishwasher.
